

ERVIN JOSH T. PEJO

BS Computer Science with specialization in **Software Engineer**
Manila, Philippines | ejpejo26@gmail.com | 0976-346-3198

OBJECTIVE | I am a motivated computer science student seeking an internship in the technology field to develop practical programming skills, enhance my critical thinking, gain industry experience, and learn from experienced professionals to prepare for a future career in the tech industry.

ACCOMPLISHED PROJECTS

- **Professional Profile Website**
Link: <https://ervzs.github.io/personal-website/>
A personal portfolio website showcasing my projects, skills, experiences and more. Built to be connected with professional individuals who might be interested in who I am.
- **e-Xtract**
Role: Backend Developer(Web & Mobile)
A web and mobile application designed to identify and extract valuable e-waste components through YOLOv11 object detection models. Developed using the flask for web and flutter for mobile. Integrated with the group's own trained YOLOv11 model for real-time recognition.
- **Ervirus**
Role: Full Stack Developer
Link: <https://ervirus.vercel.app/>
A fun incremental game where the player spread a virus and defend it against debuggers trying to remove it, Blending strategy and progression mechanics.
- **Food Case**
Role: Frontend Developer
A mobile application designed to help users decide where to eat by suggesting nearby restaurants based on their location and personalized filters or preferences.
- **Pomodoro, To-do, Memory Game, Snake Game**
A collection of projects created to practice and apply newly learned programming concepts from my studies. Each project was developed to strengthen my understanding through hands-on learning and experimentation.

SKILLS & ABILITIES

- TypeScript, Python
- React, NextJS
- Tailwind CSS & Figma
- Git
- Strong understanding of programming logic and problem-solving
- Fast learner and adaptable in diverse, team-oriented environments
- Excellent communication and time management skills

ACHIEVEMENTS & CERTIFICATIONS

- **Dean's Lister (Bronze)** - FEU Tech 3TSY2425
- **Python Essentials 1** – Certiport
- **IT Specialist – Java** – Certiport
- **CCNA: Introduction to Networks** – Cisco Networking Academy
- **PMI Project Management** – Project Management Institute

EDUCATIONAL BACKGROUND

SEPTEMBER 2022 – PRESENT

BACHELOR OF SCIENCE IN COMPUTER SCIENCE

FEU INSTITUTE OF TECHNOLOGY, MANILA, PHILIPPINES

SEPTEMBER 2020 – JUNE 2022

SENIOR HIGH SCHOOL, *QAT BLENDED LEARNING EDUCATION*, ABU DHABI, UAE

SEPTEMBER 2016 – JUNE 2020

JUNIOR HIGH SCHOOL, *THE PHILIPPINE GLOBAL SCHOOL*, ABU DHABI, UAE
